

RENTAL PROPERTY MGT. IS A BUSINESS – YOUR DISPOSAL OPTIONS

FOR MORE INFORMATION CALL: 859-238-1116

Boyle County Department of Solid Waste Management receives many calls from property owners and property management companies about solid waste disposal at the Boyle County Convenience Centers. Boyle County Convenience Centers are free of charge for Boyle County residents for disposal of household waste and bulky waste at a rate of 1 pick-up truck load per week. Boyle County Residents Only, NO business or industry permitted. No construction or demolition debris permitted.

Rental property considered a Business. Why?

1. Renters or tenants are customers
2. Proprietor is the C.E.O.
3. Property Management companies are the landlord's representative
4. A contract is signed by the customer and landlord or his/her representative
5. Landlord or representative receives a deposit from tenant
6. Landlord or representative receives rent (revenue) from tenant
7. Your property has expenses, which are tax deductible such as, but not limited to, maintenance and repair, theft, and solid waste disposal.
8. Other tax deductions such as, but not limited to, home office, local travel, and property depreciation.

How do my renters dispose of their household garbage and bulky waste?

Your tenants have full access to the Boyle County Convenience Centers free of charge or you can also establish solid waste collection at the curb for each of your rental properties by calling a registered solid waste hauler. Call Boyle County Department of Solid Waste Management for a list of State registered solid waste haulers.

Can I dispose of waste from my property (ies) at one of the Boyle County Convenience Centers when my tenant leaves and I want to upgrade or clean up the property?

No. It then becomes your responsibility for disposal. Solid Waste Disposal Options listed below.

Can I use the Boyle County Convenience Centers for Recycle drop-off?

Yes. In this way, we can help you reduce your solid waste disposal cost and your carbon footprint while creating a positive environmental impact on our community. We accept all bulky metal such as refrigerators, freezers, stoves, tables, chairs, bed frames, storm doors, wood burning stoves, pipes, and swing sets – anything made of metal. You can also bring in newspapers, magazines, water and soda bottles, cardboard, electronics.

Boyle County Department of Solid Waste Management can also help you with wood waste such as trees, limbs, wood pallet, untreated and unpainted lumber.

Call Donna Fechter 859-319-4803 for more information. Rules and Regulations do apply.

Helpful Hint: You can download solid waste and recycling options for yourself or your tenants by going to: www.boyleky.com
