

JUNCTION CITY

SOLID WASTE AND RECYCLING

CITY HALL: P.O. Box 326 Junction City KY 40440

policedepartment@bellsouth.net

Telephone: (859) 854-3900

Be informed. Read all the way through.

Junction City Solid Waste Disposal Options

1. Junction City Private Contract Solid Waste Collection:

- Republic Services: 859-936-0957
- McElroy's Trash: 859-346-4618

2. Alum Springs Convenience Center (859-854-3404)

Open: Tuesday – Saturday 9am-5pm, except Holidays

For Boyle County Residents Only, Must show proof of Residency

Boyle County Solid Waste Residential Stickers available at Convenience Center upon request

The Alum Springs Convenience Center, owned and operated by Boyle County Fiscal Court, has an Operator willing to assist you with your solid waste or recycling questions. If we are not able to accept your waste for any reason, we will give you a location and telephone number of one that can. Below we have a list of area disposal options.

For Convenience Center Concerns and/or Complaints call Angela Muncy at (859) 319-4803 or Ralph Smith at (859) 238-1116

NO:

- **For-Profit Business or Industry** (recycling options enclosed)
- **Out of County Residents** (recycling options enclosed)
- **No uncovered loose household waste** (Bag it or Can it)
- **Construction or Demolition Debris** (disposal options enclosed)
- **Hazardous or Liquid Waste** (Solid Waste main page for Household Hazardous Waste)
- **Propane, Gas, or other type flammable or explosive tanks** (disposal option enclosed)
- **Dead Animals** (disposal information enclosed)
- **No Dumpster Diving** (physically going into a waste box for the collection of an item)

The Alum Springs Convenience Center has 40-yard Compactors and 30-yard Open Tops for your convenience and is fully recycling friendly. Bag it or can it. All household waste should come into the center in bags or cans; this will help keep our roads litter-free. All household waste should go into compactors unless instructed by operator. All bulky waste such as couches and mattresses to be placed in 30-yard open tops, stairs have been provided for your safety and convenience. If an item should be brought in that is too heavy or bulky for you to comfortably put in one of our 30-yard boxes please do not try to do this by yourself. Let the operator know and if he/she cannot assist you they will instruct you where to put the item on the ground for us to handle at a future time. No dumpster diving. Boyle County realizes the value of re-use and recycling, our operators allow residents to put items out for the general public wishing to take them, but if it has been placed in a dumpster box or compactor it is no longer available. No exceptions. You're Safety and our Employee's Safety is our number one concern.
